

COMPACT TYPE & FOAM TYPE
HETEROGENEOUS
VINYL FLOORING & WALLCOVERING

GLOBALFLOOR

Globalflor® is registered in UK, owned by Shanghai Bomei Industrial Corporation Ltd, which is a Taiwan investment in China and managed by European technicians. We specializing in the production of vinyl flooring materials include homogeneous flooring, heterogeneous flooring, ESD flooring, sports flooring and different type of vinyl tiles. They have been widely used in areas such as Transport, Education, Healthcare, Commercial Buildings, Offices, Residences, Sports and other areas.

Products of high quality and fashionable, widely used in a variety of architecture, not only has the broad masses of the domestic market, but also been distributed to over 30 countries.

Our advanced machineries were imported from German and Japan. At the same time, over 500 legal staffs insist on providing dedicated international standard support with assistance on logistics, dedicated packaging and quality control for global customers. Till now, our monthly capacity can achieve 6,000,000 square meters.

We are committed to sustainable development and customer health protection.

Wall 1.0T Compact

It is the perfect solution for areas that need special protection, not only in wet rooms but also in other environments like healthcare and light industry. Solid colors available.

Floor 1.6T Compact

A comfortable solution for smooth and safe daily light commercial and home usage.

Floor 1.8T Compact

Fashionable wood design combined with excellent resistance to indentation, abrasion and tearing. High quality raw materials and innovative surface treatment ensure long-lasting performance and appearance, easy maintenance and excellent life cycle costs.

Floor 2.0T Compact

Creative solutions for commercial applications such as healthcare, education, stores, shops and hospitality.

Floor 2.0T Pro Foam

Specially for special usages and areas where acoustics and wear-resistance are important equally. This foam collection also offers good underfoot comfort.

TECHNICAL DATA

	1.0T	1.6T	1.8T	2.0T	2.0T PRO
 Total Thickness EN 428	1.0mm	1.6mm	1.8mm	2.0mm	2.0mm
